

DONATIONS POLICY

UPCAI collects funds for common interests, to pay for maintenance and repairs. Further, it maintains reserve funds to pay for future replacement of assets. Therefore, we deem it inappropriate to use any of these funds for charitable donations. The one exception is a long-standing budgeted donation to the Mayors' Feed the Hungry program during the Thanksgiving season.

UPCAI does support and encourage voluntary donations by residents to selected and vetted charities. To this end, we created an Outreach Committee to help promote community giving. Information about the Outreach Committee is available on the UPCA website

Various national and local charities (i.e., Red Cross, Firefighters, Breast Cancer Walk) solicit directly to residents. We take no position on these efforts. Most importantly, we do not offer any opinion of their validity.

THIS POLICY APPLIES ONLY TO THE UNIVERSITY PARK COMMUNITY ASSOCIATION, INC.
