**WARNING!!! GATE ALLOWS ONE VEHICLE AT A TIME**  
*(Do not tailgate, as gate recycles and it may strike and damage your vehicle)*

**Decal Policy** - The following policy was approved by the community association on May 1, 2014

The undersigned understands and agrees that applicant and any other individuals listed on this form shall comply with the rules and regulations of University Park Community Association, Inc. ("UPCAI"). ***Applicant agrees to keep the association updated with vehicle and registration information in the event of any change.*** If the applicant wishes to terminate the decal for any particular vehicle, the applicant must provide written notice to UPCA, 8301 The Park Boulevard, University Park, Florida 34201. It is estimated that any termination will request a minimum of seventy-two (72) hours' notice. Efforts to either grant or terminate a vehicle's decal are made as an accommodation to the applicant, and the association shall have no liability to any person for any injury or loss sustained as a result of granting or denying access to UPCA. All use of the access gates is made in accordance with the Declaration of Covenants, Conditions and Restrictions ("CCRs").

**Please read and initial the section below and then sign and date below the rules & regulations.**

\_\_\_\_ LOT OWNERS: Lot owners may request up to two decals at no charge. **Additional decals may be purchased for \$26 each** by providing a separate request form with the vehicle registration. Each decal is registered to a specific vehicle. When obtaining more than one decal, please be sure that you complete a request form for each vehicle. Lot owner decals are activated for a term of five (5) years, at which time they will automatically deactivate unless renewed by providing a copy of the vehicle's current registration to PBM.

**VEHICLE DECALS - RULES & REGULATIONS**

Decals are to be affixed to the vehicle to which they are assigned by PBM staff & are non-transferable. Removal of a decal will de-activate the code and a new decal will be required. Decals should be kept clean and free of scratches or other damage. If your car is professionally waxed, build-up may occur, diminishing the operation of the sticker. Build-up can be gently removed with Dawn liquid dish soap. ***If your vehicle receives a new license plate, it is your responsibility to provide PBM with a copy of the new vehicle registration.*** Failure to do so may result in the deactivation of your decal. **WARNING: GATE ALLOWS ONE VEHICLE AT A TIME!** Gate arms operate with LED lights & only allow entry for one vehicle at a time. When gate arm is in full upright GREEN position, your vehicle is cleared to pass through the barrier. **DO NOT TAILGATE!** The gate arm lowers after each vehicle & the LED lights change to RED to notify the next driver that they are **not** clear to enter. Failure to allow the gate arm to fully recycle may cause it to strike and damage your vehicle. Any resulting damage to gate or vehicle is the responsibility of the vehicle owner.

By signing below, I acknowledge that I have read, understand and will abide by all Rules & Regulations set forth herein. I understand that any deviation thereof may result in losing the privilege to have a decal on my vehicle.
